Dear Ms. Owens:

Regrettably, through inclusion in a lawsuit recently filed against Aeropres, it has come to our attention that products supplied by Aeropres Corporation and sold to Enviro-Safe Refrigerants, Inc. have been sold in the United States for refrigerant applications that have not been authorized under the law. For this reason, Aeropres has discontinued sales to Enviro-Safe effective immediately until such time as Enviro-Safe can establish that the products of Aeropres are not being sold illegally in the U.S.

In light of the previous interest in Enviro-Safe by EPA and your recent inquiry into the nature of the products that Aeropres has sold Enviro-Safe in the past, we wanted the EPA to be aware of this position of Aeropres. Please do not hesitate to contact me with any questions.

Kind Regards,

Aeropres Corporation
